Looking to save time and increase productivity?
Want to stay effortlessly connected while you’re on the move?

UC Pro is the brand-new unified communication application from Panasonic, offering you the ultimate communication solution. Ideal for all kinds of industries where fast, effective connectivity is key, and as the perfect partner to the KX-NS series, it’s our most versatile, user-friendly system yet.

UC Pro has multi-device compatibility, easy-to-use functionality and complete on-the-go capability. It keeps the business world at your fingertips, wherever you happen to be.
Anyone, anywhere, any time

**Ready to connect to any device**
- Increased productivity through seamless communication
- New levels of flexibility through multiple communication formats
- Reduced communication time thanks to instant contact/video
- Multi-device capabilities for on-the-go communication
- One-package application including CTI, instant messaging, integration and more

**Wide-ranging compatibility**
- Outlook, Lotus and Datasource integration
- Smart phone, tablet, PBX/IP phone and PC integration
- Windows and Mac OS compatibility
- UC Pro mobile app downloadable from Google and Apple stores

This powerful application can be easily integrated into existing infrastructures and features:

- **Up to 2500 user capacity**
  - Bringing fast, easy connection to your lines and across your business.

- **Voice call**
  - Quick and accurate dialling straight from your PC/Device.

- **Text chat**
  - Simpler and more accurate than email.

- **Audio chat**
  - Smooth easy voice communication. Instantly share information through group chat.

- **Video chat**
  - Remote meetings whenever they’re needed. Reduce travel and out-of-office time.

- **Presence**
  - Share your location and see where others are.

- **Favourites**
  - Register your frequently used contacts for instant recall.

- **Search**
  - Quickly find contacts from your datasources. Easily share directories with others.

- **Journal**
  - Automatically record your entire call history. Instantly check previous call recordings.

- **Unedited**
  - Easily view all your missed calls. Leave an out-of-office notification.

- **Planned**
  - Record all your schedules. Receive pop-up notifications.

- **Extension**
  - Pair with your PBX extensions. Switch to an outside line with one click.

- **Mobile integration**
  - Easy connection to your phone and sharing of contacts.

- **Integrated Calendar**
  - Simple integration with Microsoft Exchange scheduler.
Fast-paced communication for fast-paced industries

Particularly suited for industries where mobile working is key, including education and hospitality, the UC Pro’s range of features and complete solution offering make it the ideal communication tool for any small, medium or large-sized business.

The UC Pro allows you to:
- Reduce costs
- Improve your total cost of ownership
- Increase your return on investment
